

Supply List EHS Jazz Ensemble

This supply list is divided into columns. You only need the supplies listed for the column that corresponds to the section your student is in. The items marked “reusable” should only need to be purchased once, and can be reused for multiple years. If you have a reusable item that still fits and is in good condition, you do not need to purchase a new item.

There are many different sources for the listed items. Links are provided for each item so that you know the model / brand / edition of each item needed. You are not obligated to order these from the linked source.

If you do choose to order items from Amazon, please consider using www.smile.amazon.com and selecting “Parent Booster USA Inc Evergreen High School Instrumental” as your charity. Amazon Smile makes a donation to our EHS Instrumental Music Booster program for qualifying items.

Several items are marked “bulk purchase”. These are items that either need to be purchased from a specific source for uniformity, or are much more economically purchased in bulk with educator discounts. You will be invoiced via Charms for these items; you do not need to purchase them.

SmartMusic – This is an online service that helps make practice more effective by providing immediate feedback and the ability to play along with the score at home. Playing tests will also be submitted in SmartMusic. Two practice room subscriptions are available for use at EHS during school hours, and students can sign up for slots to use the service. If you want to take advantage of the practice features and have the flexibility to submit tests in the evening, you can purchase a subscription for use at home. Downloads are available for PC, Mac, and iPad. Chromebooks are not supported at this time. Remember to purchase a microphone if you don’t have one.
