

EHS Supply List

“EHS Cougar Pride“ Marching Band

This supply list is divided into columns. You only need the supplies listed for the column that corresponds to the section your student is in. The items marked “reusable” should only need to be purchased once, and can be reused for multiple years. If you have a reusable item that still fits and is in good condition, you do not need to purchase a new item.

There are many different sources for the listed items. Links are provided for each item so that you know the model / brand / edition of each item needed. You are not obligated to order these from the linked source.

If you do choose to order items from Amazon, please consider using www.smile.amazon.com and selecting “Parent Booster USA Inc Evergreen High School Instrumental” as your charity. Amazon Smile makes a donation to our EHS Instrumental Music Booster program for qualifying items.

Several items are marked “bulk purchase”. These are items that either need to be purchased from a specific source for uniformity, or are much more economically purchased in bulk with educator discounts. You will be invoiced via Charms for these items; you do not need to purchase them.
